

PUR NATURE

Wool felt meets nature cork

EsCoHomeStyle® BIO insole

Handmade in Germany 

Pure biologic materials like wool felt.
With 90% wool content and cork from the
Spanish cork-oak we have united in an
ecological sustainable insole

The perfect fitting inside the house slipper
serves for many indications like heel-spur,
hallux-rigidus, fallen-arches-splay-foot.

A perfect combination of orthopaedic insole
and comfort.

To give your customers a good feel in walk
and tread also at home.

The EsCo HomeStyle® BIO insole
stands for accomodation, perfect
fit and a warm comfort.
